

J P Systems, Inc. Healthcare IT

**HEALTHCARE IT
SOLUTIONS BORN
FROM SUPERIOR
ARCHITECTURE**

We perform IT requirements analysis, business analysis, data modeling and enterprise architecture. We are a force behind the information modeling of electronic health records for the Veterans Health Administration (VHA) and the Federal Health Architecture (FHA) with 17 years of experience with large scale Federal Healthcare systems. Our personnel are active with data standards organizations such as HL7, OMG, LOINC, X12 and SNOMED International.

- UML Data Modeling
- Healthcare IT
- Interoperability Planning
- Medical Informatics and Clinical Terminologies
- Program Management
